

Pathbearers Group Activity

Our YES to God

Theme: Saying YES to God's Call

Work together in small groups (3-4 children).

Each group will create ONE of the following:

- A short song (or chant)
- A simple poem
- A spoken or written prayer

Your goal is to show what it means to say YES to God:

- With your heart
- With your voice
- With your actions

When your group is ready, you'll share your creation with the class.

After each group presents, we will reflect:

- What did you like?
- What did you learn about saying YES to God?
